To Whom it may Concern:

My Name is Carmen Rosa Carrillo Rodriguez, 68 years.

I am a retired school teacher who worked for 40 years (1971-2011) in P.R. Schools in different levels as a Bilingual teacher. I don't receive Social Segurity or food stamps. I can not live without my income of \$1,860.00 a month. In 2013 the P.R. government reduce my pention \$500.00 to help our economy and to keep our retirement funds. If they cut off more money from my monthly check, I will not be able to life in my beautiful Island of P.R. I will be forced to leave to the U.S. to be supported by the goverment over there.

I have 2 girls, 1 son, 3 grandkids, 3 great-grand kids. My 2 girls have cancer, they are under treatment in U.S. My son lost 4 fingers of his right hand in his job. He is under treatment too. I like to visit them during Summertime, is when I can because of my health issues. I have to visit my doctor every 4 months. You can read all my sickness

and treatment, I send you a copy of the doctors list and a list of all my medications. I send you copies of everything you need to understand why I need my full pension without cuts in order to live a few more years. I receive \$22,320.00 a year this is not a lot, with the cost of living right now.
